COURSE PROFILE

## HISTORY OF THE COLLEGE

### Introduction

College of Marine Technology established in the year 1996, is a premier institute dedicated to create talents and competences to cater marine and shipping industry. Started with just six students and one teacher, today this institution has grown beyond boundaries. College of Marine Technology is situated in Kochi, the industrial capital of Kerala. Kochi has its own port, Cochin Shipyard, shipping industry and marine area matching with the objectives of the institute.

### History

The College of Marine Technology was founded by Dr. G. Mohankumar. After his secondary education, he has joined Indian Navy and served several years. During his tenure with the Navy he has sailed to different countries and learned about the vast scope of marine technology. His intense desire to share his expertise and knowledge with the generations to come has resulted in establishing this institute. The college was dedicated to groom young people for the service of shipping industry. In order to strengthen his teaching credentials, he has acquired PhD in Educational

Psychology. He was awarded many awards for his philanthropic contribution to the country.

### Courses & Career

The college offers one year and six months courses in Marine Mechanical Fitter trade and six months & three months welding courses. This is the only institute offering such course to the general public. The course has both theory and practical learning as part of the curriculum. The college has a well-equipped lab to provide practical training to students. The college aims at the holistic development of the students, personality development programs.

Students passed out from previous batches are successfully employed in dockyards, shipyards and related establishments. Career opportunities are also available in oil rigs and refineries. Needless to say, the blessing and prayers of its successful ex-students are the biggest inspiration of this institute.

As the College of Marine Technology enters its 30<sup>th</sup> year, three decades of dedicated service have enabled it to shape and secure the future of tens of thousands of students. The institution has earned the trust and confidence of both students and parents, and today stands as a leading centre of excellence in job-oriented, industry-driven education.

## JOB ORIENTED COURSES

### TRAINING OFFERED

### **DIPLOMA IN MARINE MECHANICAL FITTER**

Duration : 1 Year Qualification : SSLC & above

### FEE STRUCTURE

Total fee for the course : ₹97000/- (Rupees ninety seven thousand only)  
(Fee includes Tuition, PPE (Workshop uniform), Examination (CTDS), Record book, ID card, Practical diary & required working materials)

**Basic welding is absolutely free of cost**

### Mode of Payment

At the time of admission : ₹42000/- (Rupees forty two thousand only)  
Balance fee (₹5000 X 11 Months) : ₹55000/- (Rupees fifty five thousand only)

Candidates intending to appear for the Bureau Veritas Examination are required to remit the prescribed fee of ₹11,750 (Rupees eleven thousand seven hundred and fifty only) on or before the notified date.

Please note that any amount remitted towards the course fee, whether partial or full, will not be refunded or transferred under any circumstances, even if a student is unable to attend the classes.

## **DIPLOMA IN MARINE MECHANICAL FITTER**

**Duration: 6 months Qualification: Diploma / ITI Fitter / Mechanical BTech  
(Passed / completed)**

### **FEE STRUCTURE**

Total fee for the course : ₹57000/- (Rupees fifty seven thousand only)  
(Fee includes Tuition, PPE (Workshop uniform),  
Examination (CTDS), Record book, ID card,  
Practical diary & required working materials)

**Basic welding is absolutely free of cost**

### **Mode of Payment**

At the time of admission : ₹32000/- (Rupees thirty two thousand only)  
Balance fee (₹5000 X 5 Months) : ₹25000/- (Rupees twenty five thousand only)

Please note that any amount remitted towards the course fee whether partial or full, will not be refund or transferred under any circumstances, even if a student is unable to attend the classes.

# COURSE STRUCTURE

Through a proactive and complementary blend of theoretical knowledge and practical training, the College of Marine Technology equips students with expertise in the repair and maintenance of ships and related equipment. A dedicated team of qualified Marine Engineers and experienced instructors diligently fulfils its responsibility of effectively imparting the prescribed curriculum to students.

## INTAKES

The admission starts from the month of April and closes by October. The strength of each class is arranged in a good manner. So that each student gets good attention from the teachers.

## LAB FACILITY

College of Marine Technology has wide and well equipped workshop facility for the students. College of Marine Technology's practical training centre is situated at the heart of Kochi town which is easily accessible through road, rail & water. The college provide separate labs for the convenience of students.

## PRACTICAL CLASSES

Students who are admitted for the course have theory and practical class. Each student get special attention from the instructor other than being trainee students is moulded to be a worker. Students should strictly wear prescribed uniform with safety shoes and helmet provided by the College for practical

classes. The batches for practical are divided into morning & afternoon sessions. After the classes, adequate assignments & exams are given to evaluate the students.

## CLASS ROOMS

The college comprises of **well-furnished** and **air conditioned** class rooms with all the amenities to meet the demand of the discerning students and state of the art workshops to its credit. College provides lab with all types of machineries including different types of inline and "V" type engines where a team of qualified and diligent faculty makes the circuit more active and vibrant. Each student get special attention from the instructor other than being trainee, students is mould to be a worker. After the classes, adequate assignments & exams are given to evaluate the students.

## STUDY HOURS

Strict and specific study hours are made to practice to facilitate students to cover the daily subjects and to complete the assignments besides normal training time.

## EXAMINATIONS & EVALUATION

Theory examinations will be conducted every month. Those who have successfully completed the course & have 80% attendance in the class will be eligible for final examinations.

**The first and only institution for training facilities certified by CTDS for Marine Mechanical Fitter Course.**

**The first institution with ISO 9001-2015 Certification for Marine Mechanical Fitter Course in India.**

## PLACEMENT CELL

The Placement Cell of the College of Marine Technology assures trainee opportunities in shipyards, dockyards, and other ship-related establishments for all students who successfully complete the course with an aggregate of 60% marks in the final examination. These placements are offered with an attractive stipend.

## ASSISTANCE FOR PLACEMENT

Wholehearted efforts & supports for securing good jobs are offered to successful and promising students from the College management through placement cell.

## FOR BETTER JOB

It, arrests attention by its offering of umpteen numbers of possibilities of jobs in India as well as abroad. Marine engineering is the branch which professes to study the maintenance of ships and its associated equipments. Our students who walks out of our prestigious institution with a diploma find it an easy entry to shipyards, dockyards and other related establishments.

## ADMISSION PROCEDURE

- 1 The candidate who meet admission requirements can apply for the course.
- 2 The candidate should fill up the prescribed application form and submit along with the following documents.
  - 3 self attested Photostat copies of the first page and mark list of SSLC book, Plus two certificates & Technical certificates, if any
  - Recent passport size photographs – 5 nos
  - Original SSLC Book
- 3 Application should reach us on or before the date mentioned by post, courier or in person.
- 4 Selected candidate will have to be present on the date mentioned in the selection notice or by telephonic message.
- 5 Selected candidate should enroll by paying the initial fees mentioned to the trades.
- 6 Original certificates must be brought in hand by the candidate and must not send by post or courier.

- Information about Marine Emerging career.
- One of the top job oriented institutions in India.
- Advice from prominent trainers and professionals.
- Interactive session to clear the doubts of students, to prepare for exam and assistance for placement.
- One of the leading Marine institutes in Kerala.

## FINAL EXAMINATION

CTDS final examination will be conducted on completion of the entire course. Examination consists of theory, practical and viva.

Bureau Veritas (BVIL) (International Certification) will be witnessing the examination conducted by CMT consist of theory, practical and viva. Passed students will be awarded with certificates & mark list for both CTDS & BVIL.

Candidates intending to appear for the Bureau Veritas Examination are required to remit the prescribed fee of ₹11,750 (Rupees eleven thousand seven hundred and fifty only) on or before the notified date.

Course Certificate will be issued by College of Marine Technology on successful completion of the course.

Six months course and failed students are not eligible for BVIL examination or certificates.

**The first and only institution for certified training facilities & accessed by Bureau Veritas for Marine Mechanical Fitter Course.**
